### President's Letter

Dear Members,

Only 120 Days Left Until Our First Ski Trip!!!

I hope you are enjoying the summer and you have participated in some of the club's summer activities. The Board of Directors has been busy this summer planning the '04-'05 ski season schedule. We have an exciting season planned for you. Here are some highlights :

↑ **16 Day Trips** – the minimum number for a trip to "go" has been reduced to 10. Start planning those Wednesday and Sunday get-aways now!

↑ **3 Weekend Trips** – we've got great deals on weekend trips to Maine and VT.

↑ **3 Weeklong Trips** - your favorite, Sugarloaf, is on the list. Also included are trips to Aspen/Snowmass and Whistler.

You can view details on these trips at our website and in this newsletter. We appreciate the feedback you have provided regarding day trips. We considered your opinions in preparing the schedule.

In addition to planning the trips for the season, the Board has been planning the club meetings. Be sure to attend the October meeting where we'll give you hints on how to get in shape for ski season and preview new ski equipment. November's meeting will feature snowboard equipment and clothing. We'll close up the year in December with the Yankee Swap and a visit by a mountain – stay tuned.

We're looking forward to skiing and snowboarding with you this summer. Enjoy the last few weeks of summer because before you know it you'll be signing up for trips and anticipating that first trip down the mountain!

**Karen Foster, President**

## Ski Buddies

For some time now we've been trying to think of a way that our members can identify each other while on the slopes. We've talked about arm bands, things that tie around poles, even clothing with our insignia on it. Well, we think we have a solution. It's a sticker. Yes, a sticker. With more and more people sporting helmets (a very good thing) what better place to identify that you're a proud member of the Upper Cape Ski & Sports Club.

## Vests

Once again we'll be offering vests with our name printed on them. Red Blanchard, formerly of Village Ski and Sports Shop, has gracefully re-offered his connections to the vest manufacturer so that we can be warm all winter long.
